THE WORLD ARTS FAIR

**A UNIQUE FAIR for the WORLD ARTS (ANCIENT - TRIBAL – ASIAN)**

On June 7<sup>th</sup>, the second edition of “CULTURES, the world arts fair” throws open the doors to about 70 exhibiting galleries at the Sablon in Brussels. The 3 associations AAB (Asian Art), BAAF (Ancient Art) and BRUNEAF (Tribal Art) joined forces again. BRUNEAF, with its new board, brings fresh ideas; strengthening the future of “CULTURES” as an important fair with a unique concept. Our aim is to build opportunities for both the participants and the visitors of the fair, making Brussels an important destination for art enthusiasts, museum curators and collectors from all over the world.

CULTURES brings together many nationalities from all over the world...something to fight for. We hope that the visitors will enjoy this fantastic week of art, culture and events, which is an opportunity to acquire one or more selected artworks that have passed through the hands of our vetting committee, who along with Art Loss Register, have assured the impeccable quality of the exhibits.
